

**Directions to Transforce 2004 from Mitcham Junction station.
A 10 minute walk.**

Please note, a road and train/tube map are also available on the Transforce website
www.transforce.org.uk

From the station (Carshalton Road), cross the road and turn **right**.

You will come to a sign showing three exits (one is no entry). At this junction turn left into Cranmer Road.

On Cranmer Road you will walk over a hump bridge.

Walk the remainder of Cranmer Road until you come to a mini roundabout and turn right at the roundabout into Maderia Road. The entrance to Canon's Leisure Centre is about halfway down on the left. There is a width restriction of 2 metres for cars.

If the weather is fair, you could cut across the grass verge diagonally, look for the red banner and sign for Canon's.

We look forward to meeting you at the other end. Please make sure you know your preregistration number and pin number.
If you have not preregistered, please make sure you have £15 per person. Please ensure you have the exact amount as change will not be available on the door.
